

Education Suite

Connect district, campus, school, facility, staff, continuity, reunification, training and emergency coordination.

Why this matters

Education emergencies and disruptions move quickly across schools, districts, facilities, transportation, communications, family support, continuity and public-safety partners. Vanguard VEM helps keep those responsibilities and handoffs connected.

Designed for

Public and private school systems, higher education, district leadership, safety teams, facilities, transportation, continuity and emergency-management partners.

What users can do

- Schedule preparedness meetings, trainings, exercises and routine safety work.
- Convert emergency and continuity plans into trackable actions when activated.
- Track decisions, resources, staff assignments and carry-forward meeting actions.
- Use Operational Assurance to identify overdue work, ownership gaps and readiness concerns.

Current connected operating layer

Connected capability	Recovery 35.6 operating layer
Operational Assurance	Universal Needs Attention queue plus Executive / Command Brief from permission-visible records.
Decisions, Handoffs & Meetings	Structured decision logs, acknowledged shift/position handoffs, and meeting actions that persist until closed.
Resource Lifecycle & Readiness	Resource requests from request through closeout, plus credential/qualification evidence and readiness warnings.
Plan-to-Operation & Schedule	Activate approved plans into trackable actions; schedule routine, preparedness, training, exercise, recovery and incident meetings.
GIS/COP, Live Intelligence & ICS	Map-first COP, source-aware intelligence, position workspaces, standardized forms and automated incident documentation.
Instructions, Training & Sandbox	Affected guidance, training and practice paths are synchronized with the current build and support controlled user learning.

Supports local educational authority and established safety plans; it does not replace district policy, public-safety command, student-information systems or required reporting.
